

IN THE SPECIFICATION:

Please insert the following on Page 1, below the title (above line 1):

--BACKGROUND OF THE INVENTION

1. Field of the Invention--;

Please amend the paragraph beginning on Page 1, line 1 to read as follows:

~~--The invention concerns a mechano-electrical fuse for a hand grenade as set forth~~
~~in the classifying portion of claim 1, which includes a spring element for the storage of~~
~~mechanical energy. A drive device is connected to the spring element for driving an electrical~~
~~generator through the mechanical energy which is stored in the spring element. The electrical~~
~~generator is connected with a detonator for activation of the latter which has a booster charge~~
~~associated therewith, and with a barrier arranged between the detonator and the booster charge.--~~

Please insert the following on Page 1, between lines 2 and 3:

--2. Discussion of the Prior Art--

Please insert the following on Page 1, between lines 20 and 21:

--SUMMARY OF THE INVENTION--

Please amend the paragraph beginning on Page 1, line 25 to Page 2, line 3 to read as follows:

--In accordance with the invention, in a mechano-electrical fuse of the kind set forth in the opening part of this specification, that object is attained by the features of the ~~characterising portion of claim 1~~ inventive fuse for hand grenades as detailed hereinbelow. Preferred developments and embodiments of the mechano-electrical fuse according to the invention for a hand grenade are ~~characterised in the appendant claims~~ specifically described and claimed hereinbelow.--

Please insert the following on Page 2, between lines 10 and 11:

--BRIEF DESCRIPTION OF THE DRAWINGS--

Please insert the following on Page 2, between lines 20 and 21:

--DETAILED DESCRIPTION OF THE INVENTION--
